

# Prayer For Our Partners

## **A Beacon of Hope**

- Pray that the Lord's love & light will shine so clearly through us at Beacon, and that He will bring racial reconciliation and restoration in our community, beautifully displaying His love through His people!
- Pray that the Holy Spirit would fill each staff member and volunteer as we care for patients, and that He would be glorified in all we say and do.
- Pray for all of our patients contemplating abortion, that God will move in their hearts to give them a desire for their unborn child.
- Pray that God will lead the way in 2021. May He guide our decisions and give us creative and meaningful ways to connect with our patients and supporters during this unusual season.

## **Boy with a Ball**

- Pray for our program expansion: Mommy and Me, our new long-term satellite campus, and HOC junior program.
- Pray for our HOC team, that we will continue leading with love, serving with a smile and fighting fiercely for freedom discernment, wisdom and patience.

## **Fill Ministries**

- Families remain healthy and hopeful and that our children never go to bed hungry.

## **Fully Furnished Ministries**

- Pray that FFM will attract new volunteers to the Ministry. Due to COVID, FFM has had very few new volunteers in the past six months. Pray that year-end fundraising (Giving Tuesday and Year-End Appeal) are successful.
- Pray that ministry will be able to purchase a truck to avoid the rental expense, as well as enable FFM to meet 'emergency needs' promptly instead of delaying until we have a scheduled opening twice a month.

- For the health and safety of our individuals and for our direct support professionals.

### **Home Repair Ministries**

- Pray for guidance for us to safely engage with our clients.

### **HomeFirst**

- HomeFirst Gwinnett would like to request congregational members to pray for the success of the people we serve daily in their efforts to escape homelessness and find successful pathways to stability. These journeys are often challenging with many ups and downs, so we ask for prayers of strength, patience, and compassion for our clients.

### **Neighborhood Co-op**

- God's guidance as to what is our "next" as we are hopefully, slowly coming out of this pandemic. What programs do we re-open, or what new programs/services should we offer to better serve our community?

### **Next Generation Focus**

- Please pray that through NGF ministry, we be the blessing to others and God opens the hearts of our kiddos, their parents, and volunteers to discover Jesus.

### **No Longer Bound**

- As for everyone, 2020 has been a difficult year for No Longer Bound. For two months, we closed our revenue-generating industries, as well as admissions. We are back on track, admitting men weekly and our thrift and car businesses are doing well. However, reduced resources demanded innovation. We feel God calling and leading us both to innovate and expanding our reach. We ask for prayer that God would guide us in making effective decisions that would broaden our impact on the problem of addiction.

### **North Gwinnett Co-op**

- Pray that we can keep up with the increased demand for services and that people in our community are not hungry and know the Lord.

### **Promise686**

- Pray for the protection of those on our leadership team and families. for health, safety and for God's peace to be present in each home/family.

### **Rainbow Village**

- Rainbow Village is celebrating its 30th anniversary in 2021.
- Pray for continued vision for Rainbow Village as we move forward the next 30+ years.
- Rainbow Village needs prayers for the financial needs to be met.
- Pray for current and past families, for the children to have peace and a bright future.

### **Refuge Coffee Co.**

- Pray to remain strongly relational and committed to the well-being of our refugee staff and their families.
- That we will steward new growth opportunities (new locations!) with excellence and integrity.
- That we will continue to speak for justice and mercy.

### **Salvation Army of Gwinnett**

- For adequate resources so that we can continue to meet the needs of the underprivileged in our community.

### **The Path Project**

- Pray for wisdom as we continue empowering children growing up in the mobile home parks to find their path to high school graduation.
- Pray that they will experience the love of Christ through education and positive relationships.

### **Upper 90 Soccer**

- God's wisdom, clarity, vision, and favor as we continue to focus on making disciples during a COVID-19 reality.
- Abiding IN Him as a way of leading from our leadership team. We desire to DO out of the abundance of BEING the Christ and not the opposite.

### **Victoria's Friends**

- We are doing more virtually—we need more technical support to get the word out.
- Prayers for funding for our *Nurture through Nature* Project Spring 2021.
