Truth (Summary of Exodus 32:1-35)

Moses was up on the mountain with God for 40 days and 40 nights. Well, the people back at camp got impatient and asked Aaron to make them an idol to worship because they did not know what happened to Moses. So, Aaron collected all the gold jewelry that the people had brought from Egypt. Then he melted all the gold and formed into a golden calf. The people said, "These are your gods, O Israel, who brought you up out of the land of Egypt!" When Aaron saw this, he built an altar before it. And Aaron said, "Tomorrow shall be a feast to the LORD." And they rose early the next day and offered burnt offerings and brought peace offerings.

The Lord told Moses what the people were doing back at camp and He was very angry that they disobeyed Him. Moses then reminded the Lord of the promise He made them. God said, "I will multiply your offspring as the stars of heaven, and all this land that I have promised I will give to your offspring, and they shall inherit it forever." Then Moses and Joshua went back down the mountain with the stone tablets containing God's law. When they got close to the camp, they saw the Israelites worshipping the calf. Moses was angry and threw down the tablets of God's law and broke them. Then he burned the golden calf in the fire. He then ground up the gold into powder, put it into the water, and made the people drink it.

He said to the people "You have committed a great sin. And now I will go up to the Lord; perhaps I can make atonement for your sin." So, Moses went back up the mountain to talk to God and ask for forgiveness. The Lord forgave them but put a plague on the people who worshipped the calf instead of Him.

Equipping (Discussion questions)

1. **What was the golden calf?** It was an idol that they worshipped instead of God.
2. **Why did the people want Aaron to make them an idol?** Because they became impatient waiting on Moses.
3. **Why was Moses so angry at the Israelites?** Moses was angry because of how impatient the people had been. The people had seen God do so many things for them. But when they had to wait for Moses, they forgot what God had told them about who He is and how to follow Him.
4. **Why did God keep his promise even though the people disobeyed Him?** Because God always keeps His promises! He forgave His chosen people and would let them go to the promised land still.
