

*Carol Light's journal entry
from October 30, 2007*

Seven years ago today, my precious mother died—
how I miss her! It's hard to be without her.
I miss her love, her caring so much about me
and every part of my life;
no one can love like a mother.
Dear God, please help me to love like she did—
so selflessly and unconditionally.
Help me love you like that.
She was an inspiration to me.
I wish I had told her more often.
I hope my actions showed it
and that she knew and felt it.

Could I Have This Dance?

I'll always remember the song they were playing'
The first time we danced and I knew
As we swayed to the music and held to each other
I fell in love with you

Chorus

Could I have this dance for the rest of my life?
Would you be my partner every night?
When we're together it feels so right
Could I have this dance for the rest of my life?

I'll always remember that magic moment
When I held you close to me
As we moved together, I knew forever
You're all I'll ever need

When the perishable puts on the imperishable, and the mortal puts on immortality,
then shall come to pass the saying that is written:
Death is swallowed up in victory. Death, where is your victory?
Death where is your sting?
1 Corinthians 15:54-55

Because He Lives

God sent His Son, they called Him Jesus,
He came to love, heal, and forgive;
He lived and died to buy my pardon,
An empty grave is there to prove
My Savior lives

Chorus

Because He lives I can face tomorrow,
Because He lives all fear is gone;
Because I know He holds the future,
And life is worth the living just because He lives.

And then one day I'll cross the river,
I'll fight life's final war with pain;
And then as death gives way to victory,
I'll see the lights of glory and I'll know He reigns.

Chorus

Good Night My Love

Goodnight my love, I'll see you in the morning light.
Sweet dreams my love as you lay your head down.
Close your eyes, for waking, all will be beautiful.

Good night my love, you fought your battles oh so bravely.
No fear, my love, as you lay your sword down.
You ship will sail, but you know that when you reach that next shore,
The sun will be rising-and the night will be no more!

And oh, all the glorious wonders that you'll see!
Someday to show that city beautiful to me!
And though right now my heart is sad and torn,
I know I'll see you in the morning.

Go to sleep, I'll be up just a little longer.
And then I'll close my eyes and lay my head down.
But waking, love, we'll dance together in the dawning.
And all that's been lost will then be found

And oh all the glorious wonders that we'll see!
As you show that city beautiful to me!
And there'll be no more hearts, sad and torn.
It will finally be the morning.

10,000 Reasons

Chorus

Bless the Lord Oh My Soul, Oh my soul,
Worship His holy name. Sing like never before
Oh my soul I worship Your holy name.

The sun comes up Its a new day dawning
It's time to sing your song again.
Whatever may pass and Whatever lies before me
Let me be singing when the evening comes.

Chorus

You're rich in love and you're slow to anger.
Your name is great and your heart is kind.
For all your goodness I will keep on singing.
Ten thousand reasons for my heart to find.

Chorus

And on that day when my strength is failing
The end draws near and my time has come.
Still my soul will sing your praise unending
Ten thousand years and then forever more.
Forever more!

Chorus 2 times

Victory In Jesus

I heard an old, old story, how a Savior came from glory,
How He gave His life on Calvary to save a wretch like me;
I heard about His groaning, of His precious blood's atoning,
Then I repented of my sins and won the victory.

Chorus

O victory in Jesus, My Savior, forever!
He sought me and bought me with His redeeming blood;
He loved me ere I knew Him, and all my love is due Him—
He plunged me to victory beneath the cleansing flood.

I heard about His healing, of His cleansing power revealing,
How He make the lame to walk again and caused the blind to see;
And then I cried, "Dear Jesus, come and heal my broken spirit,"
And somehow Jesus came and brought to me the victory.

Chorus

I heard about a mansion He has built for me in glory,
And I heard about the streets of gold beyond the crystal sea;
About the angels singing and the old redemption story,
And some sweet day I'll sing up there the song of victory.
