## Liturgies for Littles

### Corporate, dinner-time prayers for the Young Families at Perimeter for this unique season in the life of our church and families, Spring 2020.

### FRIDAY

Leader: Oh Father of your people and Father of the heavenly lights, we gather together tonight to worship your name!

### Together: You are great and worthy of all praise!

Leader: As the work and school week comes to an end, we recognize that every single good thing we have ever experienced in our lives has come from you. We labor, but you hold all things together, and you are the one who causes the growth.

# Together: We confess that our hearts are often ungrateful, and have been ungrateful even today.

Leader: Even if we do not feel it in this moment, we trust the truth of the good news of Jesus, and offer you thanks, asking that your Spirit would shift our hearts to a posture of gratitude as we do so. We now pause to think of the many blessings you have given even this week.

Take a moment of silence.

# Together: We thank you Lord for the countless ways you have taken care of us this week!

Leader: We remember together that even if you remove all of these blessings from us, Father, you have taken care of us ultimately by sending Jesus to purchase us out of sin and death, and unite himself to us in the power of the Holy Spirit.

### Together: We thank you for saving us and giving us your very self in Christ Jesus!

Leader: Lord, we now lay before you all of our imperfect work from this week, and ask that you would make it fruitful, not only for the material blessing of our family, but for the spiritual blessing of all people and families with whom we interact.

### Together: Take our small steps of faith and multiply them, Lord for your glory! Amen

READ: I planted, Apollos watered, but God gave the growth. So neither he who plants nor he who waters is anything, but only God who gives the growth. 1 Corinthians 3:6–7

As we eat together, let's talk about little steps of faith we took this week, and what we pray the Lord might do with them.
